LEPINE

2000

Paragraph #/Language			
Paragraph 111 of Consent			
Decree which required			
NHSP to "establish and			
make operational an			
Industrial Arts Program			
with an enrollment capacity			
of at least 30			
inmate/students"			
Paragraph 94 of the			
Consent Decree which			
defines the term "Industrial			
Arts Program" to mean a			
to-be-established NHSP			
program that, in			
consultation with the New			
Hampshire Department of			
Education, provides			
introductory Vocational			
Education course offerings			
to inmates/students			
According to the			
petitioners:			
(2) When the NHSP			
transferred Technology			
Education to the LRF, the			
NHSP fell out of			
compliance with			
paragraphs 94 and 111			
(3) They are entitles to the			
restoration of Technology			
Education at NHSP.			
The respondent contends			
that the NHSP met the			
requirements of paragraphs			

			1
94 and 111 by virtue of			
introductory vocational			
course offerings available			
through:			
(1) Certain courses offered			
at the NHSP's accredited			
high school, Granite State			
High			
(2) Introductory portions			
of the NHSP's state-			
certified vocational			
programs			
(3) Introductory portions of			
its non-certified TIE			
Programs. The Court does			
not agree			
Paragraph #/Language			
While the number of			
vocational education slots			
at the NHSP has increased			
over the years – as has the			
overall prison population,			
and while the NHSP has			
added programs within the			
general categories outlined			
in the Laaman Consent			
Decree, the basic structure			
of the vocational education			
program has remained			
constant, with the			
exception of the			
elimination of Technology			
Education. The program			
outlined in the consent			
decree includes:			
(1) Pre-vocational			

education offered through the high school (2) Introductory vocational education offered under the heading of Industrial Arts (3) Training offered through the state-certified vocational education courses (4) Training offered through the TIE programs. As contemplated by the Laaman Consent Decree, pre-vocational education is designed to provide inmate/students with the basic skills necessary to participate meaningfully in vocational education programs either inside or outside the prison. Industrial Arts was

participate meaningfully in vocational education programs either inside or outside the prison. Industrial Arts was	
participate meaningfully in vocational education programs either inside or outside the prison. Industrial Arts was	
programs either inside or outside the prison. Industrial Arts was	
outside the prison. Industrial Arts was	
outside the prison. Industrial Arts was	
Industrial Arts was	
intended to annuide on	
intended to provide an	
introductory overview,	
which would allow	
inmate/students to choose	
meaningfully from the	
specific offerings available	
within either the state-	
certified vocational	
education programs or TIE	
programs	
The introductory segments	
of each of the state-	
certified and TIE programs	
appear to be introductions	
to specific vocations rather	
than introductions to	
vocational education as a	
whole. These introductions	

explain the basics of one			
particular program but are			
not designed to provide			
information that would			
help an inmate/student to			
choose between one			
program and another.			
NHSP is ordered to provide			
introductory vocational			
education course offerings.			
Paragraph #/Language			
The scope and content of			
those course offerings is			
within the sound discretion			
of the NHSP.
